FRIENDS OF THE EASTERN SLOPES ASSOCIATION ANNUAL GENERAL MEETING

Saturday, February 17th, 2018

Innisfail Legion Branch

The Friends of the Eastern Slopes is hosting its Annual General Meeting on Saturday, February 17th at the Innisfail Legion Branch. The intent of the business portion of the AGM/Banquet is to invite the membership to an open report on our past year activities, participate in the planning of the next year's agenda, vote in our next board of directors and encourage members to consider becoming a director in this very unique organization. The evening banquet is one of our major fundraisers for the year and has become a popular event with the past two years being sold out events. These funds help us to maintain the six campgrounds that FOESA has been entrusted to be the stewards of. More information about our association can be found on our website (www.foesa.org) or Facebook page.

We are seeking sponsorship for our AGM in the following categories.

- Bronze Sponsor - \$250
- Silver Sponsor - \$500
- Gold Sponsor - \$750
- Platinum Sponsor - \$1,000
- Silent Auction Items

Sponsors will receive advertising through the FOESA Website, Facebook page and company banners and/or posters displayed during the event.

ABOUT THE FRIENDS OF THE EASTERN SLOPES ASSOCIATION

In February 1994, Friends of the Eastern Slopes Association was incorporated as a not-for-profit society. The group took on as their first project the Bighorn Campground located on the Parks Canada Ya Ha Tinda Ranch. They negotiated with Parks Canada to take over as the stewards of the campground. Over the intervening years, through positive, proactive volunteer efforts, Friends of the Eastern Slopes Association:

- has grown and now maintains a membership of over 600 families
- have an on-going agreement with Parks Canada for the Bighorn Campground area
- were entrusted by the Alberta Environment and Sustainable Resource Development and the Bighorn Backcountry Committee with the stewardship of the Eagle Creek, Panther River, Cutoff Creek and Hummingbird Creek Forest Recreation areas, and most recently, through Alberta Parks, entrusted with the stewardship of the Seven Mile Flats Campground
- have made a real reduction in the impact on the environment of recreational horse and ATV users

The Friends of the Eastern Slopes Association has the following objectives:

- To provide input into the recreational use of the Eastern Slopes of Alberta.
- To encourage, foster and develop among its members a recognition of the importance of recreation and environment within the Eastern Slopes of Alberta
- To encourage and foster recreation and horse use in Alberta.

For sponsorship opportunities and information about this event please contact

- Larry Frischke – President - 403-829-4395
- Duane Papke – Director – 403-850-2598
- Linus Clark – Vice President – 403-638-9608
- Arlene Stevenson – Treasurer – 403-638-6650
- Suzanne Comfort – Director – 403-556-5066

We look forward to hearing from you!

Friends of the Eastern Slopes would like to take this time to thank you for considering our request and for your support!
