Re: Day Visitor Use

Please be advised that effective immediately and until further notice, The Outpost is CLOSED to Day Visitors. We have made changes to our day visitor policies and the services provided to be able to comply with COVID-19 safety and operating requirements, insurance restrictions and to ensure the health and safety of our registered guests staying with us on multi-day packages.

We will no longer allow day visitors (riders, bikers, hikers) access to our leased property and our buildings, washrooms, hitching rails, and picnic grounds, nor are we providing tours or food and beverage services. Outpost at Warden Rock Ltd. leases provincial land between the boundaries of Banff National Park and the Ya Ha Tinda Ranch along the west bank of the Red Deer River. Our lease encompasses over 18 acres from the first gravel wash crossing the Cascade fire road before our driveway entrance extending to the gravel wash running parallel to the Banff National Park boundary, and from the Cascade fire road to the Red Deer River. Even though we will not be a pitstop for you this year, you can still explore the trails in this neck of the woods. There are many places off our property to stop and take in the spectacular views. The Park boundary is just 400 meters from us and a good place to have lunch and a break.

These are unprecedented times, and we sincerely thank you for your understanding and compliance. We know for many of you, The Outpost trek is a yearly tradition. The good news... we are still providing all-inclusive holiday packages with a 2night/3day minimum stay where we can safely meet all the new Alberta Health Service requirements. Perhaps this is the year to book a stay with us, and enjoy all The Outpost has to offer. Check us out online at [www.outpostatwardenrock.com](http://www.outpostatwardenrock.com) or email us at [info@outpostatwardenrock.com](mailto:info@outpostatwardenrock.com) for further information. We hope to see you on the trails and look forward to the day we can welcome you back! Enjoy the area and the summer!

Kind Regards,

Tim Barton and Julie Leavens
